welcome to my world.

Although some of my creations have received international attention - PHOTOGRAPHER magazine, Jive®, the PROMO KIT - many haven't seen the light of day until now.

This eGuidebook has been prepared to help you explore my world of imaginary cartoon friends, things unpublished and music unheard.

INTR

THE SO AWESOME (1986)

I'm so awesome the broader implications of imparting a sense of self-worth to any youngster. But what's surprised me has been the response of adults wishing they could be like me when they were young.

The positive message in this little booklet struck a chord with everyone. It underlines the importance of always being positive and encouraging to both kids and adults. Sometimes a timely uplifting comment can make a world of difference in someone's life. Several personalized copies of have been created for family members and friends.

**JIVE® (1988)**  
While working at Sport BC as editor of CENTRE LINE'S I created mini-crossword puzzles with a sports theme.  
After leaving Sport BC I created these puzzles with a music theme - because of my interest in early Rock 'n' Roll music.  
The solution to each puzzle includes some Rock history. The idea was to put key words into the puzzles upon which
